Tristan Klinefelter

EXPERIENCE

June 2022 - Current

Multimedia Journalist Nexstar Media Group Inc. (WTAJ) | State College, Pennsylvania

- Produce, report, write, voice, film, and edit own stories daily in a timely and efficient manner to meet deadlines.
- Conducted interviews with community members and experts for story development.
- Attended press conferences and public events to gather information firsthand.
- Utilized social media to promote stories and engage with audience feedback.
- Analyzed data sets for relevant information related to stories.
- Researched archival materials including photos, documents, and recordings.
- Collaborated with producers, photographers, editors, and other journalists on multimedia projects.
- To date, published over 500 articles that include stories on local issues, politics, crime, fairs, and more, helping bring thousands to WTAJ.

August 2018 - June 2022

Reporter Pafootballnews.com | State College, Pennsylvania

- Gathered content during high school and college football games that included photos, videos, interviews, statistics, and more.
- Created social media posts that increased Pafootballnews's social media following and impressions by thousands. \
- Created multiple series that brought traction to the website and social media pages. The series included district previews, a podcast series, and a weekly show.
- Negotiated sales for various advertisement spots for sponsors of the website.
